Some of the Things We Can't Take

Unfortunately, due to legal requirements and issues of resaleability, we cannot accept items on the list below. This is not a comprehensive list.

Area rugs ~ Baby items ~ Bedding or blankets ~ Car parts ~ Carpet or carpet pad ~ Clothing ~ Computers ~ Electronics such as old computers or printers ~ Hot tubs or any jetted tubs ~ Household Items such as; books, dishes, knick-knacks, linens, etc. ~ Light Bulbs – fluorescent tube bulbs or incandescent bulbs ~ Marble shower walls ~ Mattresses or box springs ~ Medical equipment ~ Office cubicles ~ Paint (unless unopened & new) ~ Particle board ~ Pianos or organs ~ Shower doors (unless new & boxed)

Q&A's

Can ReStore pickup large items?

Yes, we offer FREE large item pickups! Please email photos to dispatch@habitatbqrr.org or call the ReStore at 505-265-0057 to speak with dispatch regarding donation pickups.

Will my donation go to a new homeowner?

Your donation is taken into the Habitat ReStore and sold to someone else in the community that will give it a second life. Proceeds from our ReStore sales help Habitat for Humanity partners with families to provide affordable homes – impacting health, education, and economic outcomes for our community!

Who shops here?

All sorts of people shop at the ReStore!

Whether you are a do-it-yourselfer, homeowner, renter, landlord, contractor, interior designer, environmentalist or treasure hunter, make Habitat for Humanity ReStore your first stop when shopping for your next home improvement, renovation or DIY project.

Why should you shop at ReStore?

The prices are great and you never know what you will find.

But more than that, all proceeds from ReStore sales support Habitat for Humanity's mission to make sure everyone in the world has a decent place to live. Shopping at the ReStore not only supports your community but also supports building affordable housing around the world.

When you shop ReStore, you help Habitat build.

How do Habitat ReStores help the environment?

When gently used building materials or household products are donated to Habitat ReStore and then sold at a discount to a community member who needs it, those items are recycled and kept out of the landfill.
